Project # W-061

Project Name Repaint Watertower Place Tank

Account #1

Account #3

Account #2

Account #4

Total Project Cost: \$2,000,000

Description

This project will remove the existing paint and repaint the interior and exterior surface of the tower. The tank was constructed in 1995 and the expected life expectancy of a tank coating is 20 years.

Justification

An inspection report will be drafted prior to construction to justify the work.
