As may be requested by the Purchaser, one or more term Bonds may be issued having mandatory sinking fund redemption and final maturity amounts conforming to the foregoing principal repayment schedule, and corresponding additions may be made to the provisions of the applicable Bond(s).

(b) Book Entry Only System. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end:

- (i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.
- (ii) Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO, as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").
- (iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may,

however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds are credited on the record date identified in a listing attached to the omnibus proxy.

- (iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.
- (v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10, references to the Nominee hereunder shall refer to such new Nominee.
- (vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").
- (vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.
- (viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such

special record date not less than 15 calendar days in advance of such special record date to the extent possible.

- (ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(c) Termination of Book-Entry Only System. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:

- (i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.
- (ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 10. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10, the Bonds will be delivered to the Beneficial Owners.
- (iii) Nothing in this subparagraph (d) shall limit or restrict the provisions of paragraph 10.

(d) Letter of Representations. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purpose. The Bonds shall provide funds to finance the Project. The total cost of the Project, which shall include all costs enumerated in Minnesota Statutes, Section 475.65, is estimated to be at least equal to the amount of the Bonds. Work on the Project shall proceed with due diligence to completion. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Project proceeds with due diligence to completion and that any and all permits and studies required under law for the Project are obtained.

4. Interest. The Bonds shall bear interest payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing August 1, 2021, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity years as follows:

2024	
2025	
2026

2028	
2029	
2030	
2031	

5. Redemption. All Bonds maturing on February 1, 2028, and thereafter, shall be subject to redemption and prepayment at the option of the City on February 1, 2027, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the maturities and the principal amounts within each maturity to be redeemed shall be determined by the City; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected registered holder of the Bonds.

To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar prior to giving notice of redemption shall assign to each Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the City or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the City and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the City shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

6. Bond Registrar. Bond Trust Services Corporation, in Roseville, Minnesota, is appointed to act as bond registrar and transfer agent with respect to the Bonds (the "Bond Registrar"), and shall do so unless and until a successor Bond Registrar is duly appointed, all pursuant to any contract the City and Bond Registrar shall execute which is consistent herewith. The Bond Registrar shall also serve as paying agent unless and until a successor paying agent is duly appointed. Principal and interest on the Bonds shall be paid to the registered holders (or record holders) of the Bonds in the manner set forth in the form of Bond and paragraph 12.

7. Form of Bond. The Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereon, shall be in substantially the following form:

13. Treatment of Registered Owner. The City and Bond Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in paragraph 12) on, such Bond and for all other purposes whatsoever whether or not such Bond shall be overdue, and neither the City nor the Bond Registrar shall be affected by notice to the contrary.

14. Delivery; Application of Proceeds. The Bonds when so prepared and executed shall be delivered by the Finance Director to the Purchaser upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

15. Fund and Accounts. For the convenience and proper administration of the moneys to be borrowed and repaid on the Bonds, and to make adequate and specific security to the Purchaser and holders from time to time of the Bonds, there is hereby created a special fund to be designated the "General Obligation Utility Revenue Bonds, Series 2020A Fund" (the "Fund") to be administered and maintained by the Finance Director as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the City. The Fund shall be maintained in the manner herein specified until all of the Bonds herein authorized and the interest thereon shall have been fully paid. The Operation and Maintenance Account for the Water System, the Operation and Maintenance Account for the Sanitary Sewer

System and the Operation and Maintenance for the Storm Sewer System (together, the "Operation and Maintenance Accounts") heretofore established by the City shall continue to be maintained in the manner heretofore and herein provided by the City. All moneys remaining after paying or providing for the items set forth in the resolutions establishing the Operation and Maintenance Accounts shall constitute and are referred to as "net revenues" until the Bonds have been paid. There shall be maintained in the Fund the following separate accounts to which shall be credited and debited all net revenues of the System as hereinafter set forth. The City Manager and all officials and employees concerned therewith shall establish and maintain financial records of the receipts and disbursements of the System in accordance with this resolution. In such records there shall be established and maintained accounts of the Fund for the purposes as follows:

(a) Construction Account. To the Construction Account there shall be credited the proceeds of the sale of the Bonds, less capital interest, and less any amount paid for the Bonds in excess of the minimum bid. From the Construction Account there shall be paid all costs and expenses of the Project, including the cost of any construction contracts heretofore let and all other costs incurred and to be incurred of the kind authorized in Minnesota Statutes, Section 475.65. Any balance remaining in the Construction Account after completion of the Project shall be transferred to the Debt Service Account.

(b) Debt Service Account. There are hereby irrevocably appropriated and pledged to, and there shall be credited to, the Debt Service Account: (1) the net revenues of the System not otherwise pledged and applied to the payment of other obligations of the City, in an amount, together with other funds which may herein or hereafter from time to time be irrevocably appropriated to the account sufficient to meet the requirements of Minnesota Statutes, Section 475.61 for the payment of the principal and interest of the Bonds; (2) any amount paid for the Bonds in excess of the minimum bid; (3) any collections of all taxes which may hereafter be levied in the event that the net revenues of the System and other funds herein pledged to the payment of the principal and interest on the Bonds are insufficient therefor; (4) all funds remaining in the Construction Account after completion of the Project and payment of the costs thereof; (5) all investment earnings on funds held in the Debt Service Account; and (6) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Debt Service Account. The amount of any surplus remaining in the Debt Service Account when the Bonds and interest thereon are paid shall be used consistent with Minnesota Statutes, Section 475.61, Subdivision 4.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by the arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall

not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. Coverage Test; Pledge of Net Revenues and Excess Net Revenues. It is hereby found, determined and declared that the net revenues of the System are sufficient in amount to pay when due the principal of and interest on the Bonds and a sum at least five percent in excess thereof. The net revenues of the Water System are sufficient in amount to pay when due the principal of and interest on the Outstanding Water Bonds and a sum at least five percent in excess thereof. The net revenues of the Water System and Sewer System are sufficient in amount to pay when due the principal of and interest on the Outstanding Water and Sewer Bonds and a sum at least five percent in excess thereof. The net revenues of the System are hereby pledged on a parity with the Outstanding Water Bonds, the Outstanding Water and Sewer Bonds for the payment of the Bonds and shall be applied for that purpose, but solely to the extent required to meet the principal and interest requirements of the Bonds as the same become due.

Nothing contained herein shall be deemed to preclude the City from making further pledges and appropriations of the net revenues of the System for the payment of other or additional obligations of the City, provided that it has first been determined by the City Council that the estimated net revenues of the System will be sufficient, in addition to all other sources, for the payment of the Bonds and such additional obligations and any such pledge and appropriation of the net revenues of the System may be made superior or subordinate to, or on a parity with the pledge and appropriation herein.

17. Covenant to Maintain Rates and Charges. In accordance with Minnesota Statutes, Section 444.075, the City hereby covenants and agrees with the Holders of the Bonds that it will impose and collect charges for the service, use, availability and connection to the System at the times and in the amounts required to produce net revenues adequate to pay all principal and interest when due on the Bonds. Minnesota Statutes, Section 444.075, Subdivision 2, provides as follows: "Real estate tax revenues should be used only, and then on a temporary basis, to pay general or special obligations when the other revenues are insufficient to meet the obligations".

18. General Obligation Pledge. For the prompt and full payment of the principal and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are irrevocably pledged. If the net revenues of the System appropriated and pledged to the payment of principal and interest on the Bonds, together with other funds irrevocably appropriated to the Debt Service Account shall at any time be insufficient to pay such principal and interest when due, the City covenants and agrees to levy, without limitation as to rate or amount an ad valorem tax upon all taxable property in the City sufficient to pay such principal and interest as it becomes due. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds payable therefrom, the deficiency shall be promptly paid out of any other accounts of the City which are available for such purpose, and such other funds may be reimbursed without interest from the Debt Service Account when a sufficient balance is available therein.

19. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall, to the extent permitted by law, cease. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

20. Compliance With Reimbursement Bond Regulations. The provisions of this paragraph are intended to establish and provide for the City's compliance with United States Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations") applicable to the "reimbursement proceeds" of the Bonds, being those portions thereof which will be used by the City to reimburse itself for any expenditure which the City paid or will have paid prior to the Closing Date (a "Reimbursement Expenditure").

The City hereby certifies and/or covenants as follows:

(a) Not later than sixty days after the date of payment of a Reimbursement Expenditure, the City (or person designated to do so on behalf of the City) has made or will have made a written declaration of the City's official intent (a "Declaration") which effectively (i) states the City's reasonable expectation to reimburse itself for the payment of the Reimbursement Expenditure out of the proceeds of a subsequent borrowing; (ii) gives a general and functional description of the property, project or program to which the Declaration relates and for which the Reimbursement Expenditure is paid, or identifies a specific fund or account of the City and the general functional purpose thereof from which the Reimbursement Expenditure was to be paid (collectively the "Project"); and (iii) states the maximum principal amount of debt expected to be issued by the City for the purpose of financing the Project; provided, however, that no such Declaration shall necessarily have been made with respect to: (i) "preliminary expenditures" for the Project, defined in the Reimbursement Regulations to include engineering or architectural, surveying and soil testing expenses and similar prefatory costs, which in the aggregate do not exceed 20% of the "issue price" of the Bonds, and (ii) a *de minimis* amount of Reimbursement Expenditures not in excess of the lesser of \$100,000 or five percent of the proceeds of the Bonds.

(b) Each Reimbursement Expenditure is a capital expenditure or a cost of issuance of the Bonds or any of the other types of expenditures described in Section 1.150-2(d)(3) of the Reimbursement Regulations.

(c) The "reimbursement allocation" described in the Reimbursement Regulations for each Reimbursement Expenditure shall and will be made forthwith following (but not prior to) the issuance of the Bonds and in all events within the period ending on the date which is the later of three years after payment of the Reimbursement Expenditure or one year after the date on which the Project to which the Reimbursement Expenditure relates is first placed in service.

(d) Each such reimbursement allocation will be made in a writing that evidences the City's use of Bond proceeds to reimburse the Reimbursement Expenditure and, if made within 30 days after the Bonds are issued, shall be treated as made on the day the Bonds are issued.

Provided, however, that the City may take action contrary to any of the foregoing covenants in this paragraph upon receipt of an opinion of its Bond Counsel for the Bonds stating in effect that such action will not impair the tax-exempt status of the Bonds.

21. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described to:

(a) Provide or cause to be provided to the Municipal Securities Rulemaking Board (the "MSRB") by filing at www.emma.msrb.org in accordance with the Rule, certain annual financial information and operating data in accordance with the Undertaking. The City reserves the right to modify from time to time the terms of the Undertaking as provided therein.

(b) Provide or cause to be provided to the MSRB notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of the event, in accordance with the Undertaking.

(c) Provide or cause to be provided to the MSRB notice of a failure by the City to provide the annual financial information with respect to the City described in the Undertaking, in not more than ten (10) business days following such occurrence.

(d) The City agrees that its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and City Manager or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

22. Certificate of Registration. The City Manager is hereby directed to file a certified copy of this resolution with the County Auditor of Counties of Carver and Hennepin, Minnesota, together with such other information as the Auditor shall require, and to obtain the County Auditor's certificate that the Bonds have been entered in the County Auditor's Bond Register.

23. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

24. Negative Covenant as to Use of Bond Proceeds and Project. The City hereby covenants not to use the proceeds of the Bonds or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Project, in such a manner as to cause the Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code.

25. Tax-Exempt Status of the Bonds; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation (i) requirements relating to temporary periods for investments, (ii) limitations on amounts invested at a yield greater than the yield on the Bonds, and (iii) the rebate of excess investment earnings to the United States. The City expects to satisfy the twenty-four month exemption for gross proceeds of the Bonds as provided in Section 1.148-7(e) of the Regulations. The Mayor and/or the City Manager, are hereby authorized and directed to make such elections as to arbitrage and rebate matters relating to the Bonds as they deem necessary, appropriate or desirable in connection with the Bonds, and all such elections shall be, and shall be deemed and treated as, elections of the City.

26. Designation of Qualified Tax-Exempt Obligations. In order to qualify the Bonds as "qualified tax exempt obligations" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

- (a) the Bonds are issued after August 7, 1986;
- (b) the Bonds are not "private activity bonds" as defined in Section 141 of the Code;
- (c) the City hereby designates the Bonds as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code;
- (d) the reasonably anticipated amount of tax exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2020 will not exceed \$10,000,000;
- (e) not more than \$10,000,000 of obligations issued by the City during this calendar year 2020 have been designated for purposes of Section 265(b)(3) of the Code; and
- (f) the aggregate face amount of the Bonds does not exceed \$10,000,000.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

27. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to Old National Bank in Chaska, Minnesota on the closing date for further distribution as directed by the City's municipal advisor, Ehlers.

28. Official Statement. The Official Statement relating to the Bonds prepared and distributed by Ehlers is hereby approved and the officers of the City are authorized in connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

29. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

30. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

NONARBITRAGE CERTIFICATE

The undersigned are the duly qualified and acting Mayor, City Manager, and Finance Director of the City of Chanhassen, Counties of Carver and Hennepin, Minnesota (the "Issuer"), charged, either alone or with others, with the responsibility of issuing \$6,795,000 General Obligation Utility Revenue Bonds, Series 2020A, dated April 2, 2020, as the date of original issue (the "Bonds"). This Certificate is being executed in accordance with the income tax regulations relating to arbitrage bonds (the "Regulations") and may be relied upon as a certification under Section 1.148-2(b)(2) of the Regulations and under Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). The undersigned, having made an investigation of the facts, circumstances and estimates pertaining to and in connection with the Bonds, hereby certify and reasonably expect as follows with respect to the Bonds:

1. Purpose; Statement. The proceeds of the Bonds will be used to finance improvements to the municipal water, sanitary sewer, and storm water systems (the "Project"). As of the date hereof, all of the representations and statements of fact contained in the resolution adopted by the City Council on March 9, 2020, relating to the Bonds (the "Resolution") are true and correct, and nothing has occurred between the date of adoption of the Resolution and the date hereof to cause any expectation or covenant stated in the Resolution to become unlikely or impossible of occurrence or performance, unreasonable or otherwise invalid.

2. Only Issue. No bonds (in addition to the Bonds) (i) are sold or are to be sold at substantially the same time as the Bonds, (ii) are sold pursuant to the same plan of financing with the Bonds, and (iii) are reasonably expected to be paid from substantially the same source of funds as the Bonds will be paid.

3. Proceeds and Uses. The Bonds were delivered and paid for on the date of this Certificate. The total sale proceeds of the Bonds (i.e. the issue price of the Bonds or the offering price of the Bonds to the public) is \$_____, which together with accrued interest (\$0.00) and earnings thereon (estimated to be \$_____), do not exceed the total of:

(i) \$_____, estimated total financeable costs of the construction of the Project;

(ii) \$_____, expenses anticipated to be incurred in connection with the issuance of the Bonds, including Underwriting Compensation as defined below; and

(iii) \$_____, representing unused bond discount and surplus funds will be returned to the Issuer and deposited in the Debt Service Account hereinafter described.

"Underwriting Compensation" is the difference between the amount paid by the underwriter in purchasing the Bonds from the Issuer and the amount of the issue price or reoffering price of the Bonds to the public.

4. Governmental Purposes; No Over-burdening of Tax-Exempt Market. The stated purposes of the Bonds are governmental purposes within the meaning of applicable law and

regulations. The "Sale Proceeds" of the Bonds (i.e., the issue price of the Bonds less accrued interest), less any amounts used to pay issuance expenses, together with estimated earnings thereon, will not exceed the estimated dollar cost of financing and constructing the Project less all other funds to be expended for paying such costs.

5. Fund and Accounts. The Bonds are payable from the General Obligation Utility Revenue Bonds, Series 2020A Fund (the "Fund"), which contains a Construction Account (for the construction of the Project) and a Debt Service Account (for payment of debt service on the Bonds).

6. Construction Account: Time Test; Due Diligence Test; Expenditure Test.

(a) Costs of Construction and Issuance. The costs of constructing the Project and issuing the Bonds will be paid from the Construction Account in the Fund. The Issuer reasonably expects to satisfy the time test, the due diligence test and the expenditure test as set forth below:

(i) Time Test. Substantial binding contracts or commitments for constructing the Project obligating the expenditure of not less than \$_____ (five percent of the Net Sale Proceeds (as defined below) of the Bonds) have heretofore been entered into or made or will be entered into or made within six months from the date hereof. "Net Sale Proceeds" is the issue price of the Bonds less the accrued interest and less any bond proceeds deposited in any reserve fund or account. All such contracts are, or will be, binding obligations of the Issuer.

(ii) Due Diligence Test. The construction of the Project and the allocation of the Net Sale Proceeds of the Bonds to expenditures has proceeded and will continue to proceed with due diligence to completion. The Project is estimated to be completed by _____.

(iii) Expenditure Test. Any contract or commitment for the construction of the Project heretofore or hereafter executed has provided or will provide for the construction of the Project in less than three years from the date hereof; and proceeds of the Bonds in an amount equal to at least eighty-five percent of the Net Sale Proceeds of the Bonds will be spent in paying the cost of the construction of the Project within three years from the date hereof.

(b) Costs of Issuance; Transfer. The costs of issuing the Bonds will be incurred and paid within three years from the date hereof. Any moneys remaining in the Construction Account after completion of the Project and payment of the costs of issuing the Bonds will be transferred to the Debt Service Account unless transferred to the fund of any other project as authorized by law.

(c) Investments. The Issuer shall not invest amounts in the Construction Account at a yield materially higher than the yield on the Bonds or in obligations exempt from federal income taxation under Section 103(a) of the Code if and to the extent moneys remain therein after the earlier of (i) construction of the Project is complete or, (ii) three years from the date hereof.

7. Debt Service Account and Operation and Maintenance Accounts: Funding; Investment Covenants. The principal and interest on the Bonds are payable from the Debt Service Account. The Issuer has covenanted that any sums from time to time held in the Construction Account, the Operation and Maintenance Accounts previously established for the water system, sanitary sewer system and storm water system as net revenues and expected to be transferred to the Debt Service Account, and the Debt Service Account (or any other account of the Issuer which will be used to pay debt service on the Bonds) in excess of amounts which under then applicable federal arbitrage regulations may be invested without regard to yield (after taking into account all temporary periods) shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments. Besides the Debt Service Account and any sums held in the Operation and Maintenance Accounts as net revenues and expected to be transferred to the Debt Service Account, there is no other fund or account of cash or securities which the Issuer has set aside and expects to invest or maintain at a yield greater than the yield on the Bonds for the purpose of paying debt service on the Bonds.

8. Debt Service Account: Bona Fide Debt Service Fund; Minor Portion; Temporary Periods; Yield. The Debt Service Account and any balance of net revenues held in the Operation and Maintenance Accounts (the "Holding Account") and expected to be used to pay debt service on the Bonds serves two functions: (i) a bona fide debt service fund (within the meaning of Section 1.148-1(b) of the Regulations) which is used primarily to achieve a proper matching of revenues and principal and interest payments within each Bond Year and is depleted at least once a Bond Year except for a reasonable carryover amount not to exceed the greater of the earnings on the Debt Service Account for the immediately preceding Bond Year or one-twelfth of principal and interest payments on the Bonds for the immediately preceding Bond Year, and (ii) a sinking fund (within the meaning of Section 1.148-1(c)(2) of the Regulations), and each such function shall be treated for the purposes hereof as if it occurred in a separate account.

Amounts deposited in the Debt Service Account and the Holding Account which are to be used to pay debt service on the Bonds within twelve months of their receipt by the Issuer (or which are a reasonable carryover amount with respect thereto) will be invested without regard to yield for a temporary period not longer than thirteen months. Receipts in the Debt Service Account and the Holding Account which will not be used to pay debt service on the Bonds within thirteen months of their receipt will be invested without regard to yield to the extent they do not in the aggregate exceed the "minor portion" of \$100,000, which is an amount equal to the lesser of \$100,000 or five percent of the Sale Proceeds of the Bonds. Sale proceeds of the Bonds are the issue price of the Bonds less accrued interest.

All receipts in the Debt Service Account and the Holding Account may be invested without regard to yield for a temporary period of thirty days from receipt by the Issuer, and investment earnings on such sums may be invested without regard to yield for a longer temporary period of one year from receipt. Amounts not entitled to a temporary period or within said minor portion will not be invested at a yield which is materially higher than the yield on the Bonds, or will be invested without regard to yield in tax-exempt bonds as defined in Section 150(a)(6) of the Code, being obligations the interest on which is excluded from gross income under Section 103(a) of the Code.

9. Yield Determination; Materially Higher. The yield on the Bonds, based on their issue price being the initial offering price to the public, as shown in the Issue Price Certificate has been calculated to be _____%; this yield on the Bonds will be recalculated if and as required by the Code or the Regulations. A "materially higher" yield is defined at Section 1.148-2(d)(2) of the Regulations and is generally one-eighth of one percent (0.125%).

10. Rebate. The Issuer is subject to the rebate requirement imposed by §148(f) of the Code. The Issuer shall pay to the United States rebates of excess investment earnings in amounts at least equal to the amounts, and at times no later than the times, required by §148(f) of the Code and any Regulations promulgated thereunder.

In applying the rebate requirement the Issuer will not take into account any amount earned on a bona fide debt service fund (as described in paragraph 6), because (a) the Bonds are not private activity bonds, (b) the rates of interest on the Bonds do not vary during the term of the issue, and (c) the average maturity of the Bonds is at least five years. Though the Issuer may utilize a temporary period, as set forth in paragraph 6, the Issuer expects that the Debt Service Account will in fact function as a bona fide debt service fund.

The Issuer will purchase investments at fair market value and will avoid "prohibited payments" with respect to investments. The Issuer shall make determinations of the yield on the Bonds and the yield on investments within sixty days after the end of each fifth bond year and finally within sixty days of the final payment or redemption of the Bonds, and shall maintain records thereof until six years after the retirement of the last of the Bonds. If Regulations permit the Issuer to comply with the rebate requirement in a different manner, the Issuer may do so.

The Issuer need not rebate any earnings on "available construction proceeds" of the Bonds if all "available construction proceeds" are expended within two years of the date hereof. The Issuer expects to spend all such moneys within such period. The Bonds are entitled to an exception for rebate if all available construction proceeds are expended within two years of the date hereof because at least seventy-five percent of the available construction proceeds of the Bonds are to be used for construction expenditures with respect to property which is to be owned by a governmental unit or 501(c)(3) organization.

The Issuer expects to spend all such moneys for construction expenditures as follows:

(a) not less than ten percent of the available construction proceeds will be spent for the governmental purpose of the Bonds within the six month period beginning on the date hereof; and

(b) not less than forty-five percent of the available construction proceeds will be spent for such purposes within one year of the date hereof; and

(c) not less than seventy-five percent of the available construction proceeds will be spent for such purposes within eighteen months of the date hereof; and

(d) not less than one hundred percent of the available construction proceeds will be spent for such purposes within two years of the date hereof; provided that one hundred percent of

the available construction proceeds shall be treated as spent if such requirement is met within the three year period beginning on the date hereof and if the expenditure requirement would have been met within the two year period but for the withholding of a reasonable retainage not exceeding five percent of the available construction proceeds of the Bonds. The Issuer hereby declines to make, and does not make, an election of the application of §148(f)(4)(C)(vii) of the Code and the penalty it provides in lieu of rebate. The Issuer hereby declines to make, and does not make, an election to treat portions of the Bonds separately or any other elections with respect to the two year expenditure exception to rebate which are required to be made on or before the date the Bonds are issued.

"Available construction proceeds" includes an amount equal to the issue price of the Bonds, increased by earnings on the issue price, earnings on amounts in any reasonably required reserve or replacement fund, and earnings on the foregoing earnings, reduced by the amount of the issue price in any reasonably required reserve or replacement fund and the issuance costs financed by the issue.

Under §1.148-7(f)(2), the Issuer may elect on or before the date of issue, with respect to all of those two year expenditure requirements which are based on reasonable expectations, to apply them instead based on actual facts. The Issuer does not make this election.

For purposes of determining compliance with the spending as of the end of each of the first three six month spending periods, available construction proceeds includes the amount of future earnings that the Issuer reasonably expected as of the issue date. That amount is \$ _____. For any later spending periods, future earnings must be estimated as of the end of the spending period.

11. §1.148-7(b)(4) provides a de minimis rule; any failure to satisfy the final spending requirement of the two year exception is disregarded if the Issuer exercises due diligence to complete the Project and the amount of the failure does not exceed the lesser of three percent of the issue price (\$ _____) or \$250,000.

12. Intentional Acts. The Issuer shall not take an deliberate, intentional action after the date hereof to earn arbitrage profit except to the extent such action would not have caused the Bonds to be arbitrage bonds had it been reasonably expected on the date hereof.

13. Basis For Expectations. The facts and estimates on which the foregoing expectations are based are (a) the documents included in the "Bond Transcript" prepared for the Bond Closing, (b) all engineering and architectural estimates, drawings, reports and plans and specifications heretofore furnished the Issuer with respect to the Project, (c) all contracts, if any, heretofore executed for the construction of the Project, (d) all expenditures which were heretofore made by the Issuer for the construction of the Project and which are to be reimbursed out of the proceeds of the Bonds, and (e) such other facts and estimates, if any, as may be set forth in an Exhibit A attached hereto.

14. No Abusive Arbitrage Device. No "abusive arbitrage device" within the meaning of Section 1.148-10 of the Regulations is used in connection with the Bonds. No action relating to the Bonds has the effect of (a) enabling the Issuer to exploit the difference between tax-

exempt and taxable interest rates to obtain a material financial advantage and (b) overburdening of the tax-exempt bond market.

15. Reimbursement Expenditures. None of the proceeds of the Bond will be used to reimburse the Issuer for reimbursement expenditures.

16. Monitoring of Expenditures and Investments. The Issuer will monitor the investment of Bond proceeds to assure compliance with Section 148 of the Code, and the Issuer will consult with bond counsel periodically with regard to arbitrage issues and compliance.

17. Familiarity; Conclusion. We are generally familiar with the requirements of the Regulations, and nothing has been called to our attention to cause us to believe that the proceeds of the Bonds will be used in a manner which would cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code.

18. No Other Facts. To the best of the knowledge and belief of the undersigned, there are no other facts, estimates or circumstances which would materially change the foregoing facts and conclusions.

\$6,795,000
GENERAL OBLIGATION UTILITY REVENUE BONDS, SERIES 2020A
CITY OF CHANHASSEN
COUNTIES OF CARVER AND HENNEPIN
MINNESOTA

We have acted as bond counsel in connection with the issuance by the City of Chanhassen, Counties of Carver and Hennepin, Minnesota (the "Issuer"), of its \$6,795,000 General Obligation Utility Revenue Bonds, Series 2020A, bearing a date of original issue of April 2, 2020 (the "Bonds"). We have examined the law and such certified proceedings and other documents as we deem necessary to render this opinion.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds, and we express no opinion relating thereto.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon such examinations, and assuming the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of such documents, and the accuracy of the statements of fact contained in such documents, and based upon present Minnesota and federal laws (which excludes any pending legislation which may have a retroactive effect on or before the date hereof), regulations, rulings and decisions, it is our opinion that:

(1) The proceedings show lawful authority for the issuance of the Bonds according to their terms under the Constitution and laws of the State of Minnesota now in force.

(2) The Bonds are valid and binding general obligations of the Issuer and all of the taxable property within the Issuer's jurisdiction is subject to the levy of an ad valorem tax to pay the same without limitation as to rate or amount; provided that the enforceability (but not the validity) of the Bonds and the pledge of taxes for the payment of the principal and interest thereon is subject to the exercise of judicial discretion in accordance with general principles of equity, to the constitutional powers of the United States of America and to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted.

(3) At the time of the issuance and delivery of the Bonds to the original purchaser, the interest on the Bonds is excluded from gross income for United States income tax purposes and is excluded, to the same extent, from both gross income and taxable net income for State of

Minnesota income tax purposes (other than Minnesota franchise taxes measured by income and imposed on corporations and financial institutions), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals or the Minnesota alternative minimum tax applicable to individuals, estates or trusts. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes and from both gross income and taxable net income for State of Minnesota income tax purposes. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income and taxable net income retroactive to the date of issuance of the Bonds.

We express no opinion regarding other state or federal tax consequences caused by the receipt or accrual of interest on the Bonds or arising with respect to ownership of the Bonds.

Dated at Minneapolis, Minnesota this 2nd day of April, 2020.
