**Council Action Requested\***

Zoning for short term rental

Provide a brief description of the action you are requesting from the City Council.

**Summary of Information\***

Property next door was purchased for sole purpose of short term rental. It is a party house with 20+ vehicles parked on the streets and people outdoors at all hours smoking. As a resident I believe it is not acceptable to run a business in our residential neighborhood. I suggest review if zoning to amend rules to limit the ability for short term rental as in VRBO

Provide a narrative of the request including need, costs, timetable, background, etc.
